Our patients say it best . . .

Congratulations on 75 years of world-class dental care and innovation. Your leadership in your field has been an inspiration and source of pride for the entire Atlanta community. The genuine friendships I have at Goldstein and Garber will always be treasured.

*Bill Rhodes, Senior VP, Operations, North America,
The Ritz-Carlton Hotel Company, LLC*

Nowhere in the whole universe is there a dental clinic that renders the quality and perfection of service that is afforded to patients of Dr. Ronald Goldstein and his associates. I would hesitate to have any other dentist render services to me as long as I have the privilege of seeking oral healthcare in his clinic.

Dr. Emile Fisher, Atlanta Periodontist

I have had the distinct pleasure of knowing Dr. Ronnie Goldstein and the Goldstein family for forty years. Ronnie has been a leader and innovator in his field. Dr. David Garber has taken care of me and my family for 20 years. He is a great dentist who is truly talented.

*Howard Halpern, Chairman,
Howard Halpern & Associates, LLC*

For over 20 years I've been able to count on this top-notch team. Their professionalism and state-of-the-art technology is unquestionably the best.

*Richard Lewis, Owner,
Liberty House Restaurant Corp*

I can't think of another group that has done more to change people's self-image as far as cosmetic dentistry is concerned than Goldstein, Garber and Salama. I have been a patient of Ronald Goldstein, David Garber and Maurice Salama for over 15 years, and during this time I have seen them remain on the cutting edge of technology. I have never met a more caring and conscientious group of professionals.

*Richard Tyre, Chief Executive Officer,
UniHost, Inc.*

As a television journalist and public speaker I know how important it is to be confident in yourself and your information. Dr. Goldstein helped make sure my smile reflected confidence too.

*Carolyn O'Neil, Former CNN Anchor
and author, "The Dish on Eating Healthy
and Being Fabulous!"*

Three generations of my family have been treated at Goldstein, Garber & Salama. We wouldn't consider going anywhere else.

Jon Golden, Attorney, Arnall, Golden & Gregory

I've been a patient of their's for 50 years. Many practices have skillful people; this practice has the most talented doctors in the world! Congratulations on your 75th and BRAVO!

*Richard Stern, Author,

Velvet Touch"*

3 generations of dedication to dentistry -- serving, mentoring, teaching and treating. Excellence in research, quality of care, and service. Congratulations to the Goldstein & Garber group on this 75th Anniversary of their practice!
